From the Desk of Fr. Tim...**Archdiocesan Update on COVID-19...**

As you are aware, active cases of the coronavirus (COVID-19) worldwide have led to some understandable concern among the faithful. Our goal is to act responsibly, based on credible information from reliable sources. We have been in regular contact with local health officials and will continue this dialogue. Information from the provincial website ([Ontario.ca/COVID-19](https://ontario.ca/COVID-19)) provides basic background on the coronavirus and practical advice for all organizations:

Coronaviruses are spread mainly from person to person through close contact, for example, in a household, workplace or health care centre.

There are everyday actions that can help prevent the spread of germs that cause respiratory illnesses. Take these everyday steps to reduce exposure to the virus and protect your health:

**wash your hands often with soap and water or alcohol-based hand sanitizer*

**sneeze and cough into your sleeve*

**avoid touching your eyes, nose or mouth*

**avoid contact with people who are sick*

**stay home if you are sick*

Regarding liturgical practices, local health officials have indicated that it is not necessary to alter current practices at this time. Parishes are encouraged to use the above information to remind parishioners about the importance of practicing healthy hygiene. Also, parishes should ensure that those distributing communion wash their hands or use hand sanitizer before and after the distribution of communion.

Please continue to pray for all those impacted by the coronavirus. Be assured that we will continue to work with local health officials and keep you updated as appropriate.

New Euthanasia Legislation Introduced in Canada, It's Time to Act – Contact your MP Today!

As announced at each mass last weekend, legislation to expand euthanasia in our country has been introduced. If passed, those eligible for euthanasia would include those without a terminal illness, including Canadians with disabilities. Doctors may also be forced to “sign off” on euthanasia for the patients they have been treating for years. Dementia patients who signed a “directive” 10 years ago may now have someone else determine when they will die.

Every life has value - visit www.helptheliving.ca to send a letter (prepared for you) to your Member of Parliament. The process takes less than 5 minutes. More information can also be found at: www.archtoronto.org/euthanasia, and copies of the Cardinal's Letter can be obtained at the parish office. We continue to pray and advocate for the vulnerable among us.

ShareLife 2020: It's who we are!

Catholic agencies have been serving those among us who are poor, sick and marginalized since the founding of our diocese 178 years ago – it's who we are as Catholics in the Archdiocese of Toronto! We continue that legacy through *ShareLife*, which funds over 40 agencies that provide unconditional care, regardless of religious affiliation.

One of the key messages Jesus left us is to “love one another as I have loved you.” Similarly, one of the core components of our archdiocesan Pastoral Plan is “Catholic Outreach in Justice and Love.” One way we carry out this outreach and express love for neighbour is through our annual *ShareLife* Appeal. Our generosity toward *ShareLife* agencies is one of the ways we can help transform the lives of the marginalized in our society. Thank you for your support of *ShareLife*! *March 29 is ShareLife Sunday*. Please give generously.
