

Dear Parishioners,

The Refugee Committee is overwhelmed by your kindness and generosity! Thanks to you, we have been able to furnish the Gill family house and make it into a safe and comfortable home for them when they arrive. A task like this is simply not possible without a multitude of hands lifting together for a common goal.

“Thank you” seems inadequate, but it is heartfelt!

2 of the 6 family members are en route and scheduled to arrive today and we are so happy that they will have this home filled with loved items waiting.

You have provided so many things from our original list that all that remains are the following:

- **Love seat**
- **Fire Extinguisher (home size)**
- **Folding Grocery Cart (2)**

If you are able to donate any of these items, please email us at:

loyolarefugeecomm@gmail.com

We will be having another donation drop off day in the Parish Hall on Sunday, February 6th. Once you email the committee, instructions for drop off will be finalized with you.

Additionally, donations of cash or gift cards would be sincerely appreciated.

Envelopes are available at the Church if you'd like to make a cash donation.

With deepest gratitude,

The Refugee Committee
