

Palliative Care and End-of-life Issues and Resources:

A Catholic Perspective

(a pilot program of the CCCB)

Are you interested in learning about the most recent approaches to palliative and end of life care?

With the approval of Cardinal Thomas Collins, St. Ignatius Loyola Parish Mississauga is proud to be one of the first of two parishes to partner with the Catholic Charities of the Archdiocese of Toronto in an important pilot project this fall 2021.

Why: We may be reluctant to assist our own family members or friends or deal with challenges in our own lives because we do not feel prepared to deal with these important issues. By learning about available resources, we can help build a caring and informed community right here at St. Ignatius Loyola Parish.

Who: For parishioners who are interested in coming together to understand and reflect on palliative care and end-of-life issues.

What: Guided by new resources from the Canadian Conference of Catholic Bishops (CCCB) 4 evenings of education and discernment will be offered by our presentation team of Dr. Moira McQueen PhD, and Shirley Christo, MHSc, MEd, Parish Nurse.

When: 7 p.m. to 9 p.m.

Thursday, September 23rd , 2021
